Incidents that involve animals trapped in Flood and Swiftwater require special considerations and knowledge. This training is provided through both hands-on and classroom instruction. This class covers both the ASAR Swiftwater Technician skills and the ASAR Floodwater Boat Operations. Small animal rescue techniques will be the primary focus, with additional discussion about large animal issues and hazards in floodwater. Participants need to have the ability to swim in moving water conditions. Existing USAR SRT-A Technicians taking this course will receive credentialing for the FEMA 509 Swiftwater/Flood Search and Rescue Technician – Animal Rescue Specialist necessary for both Type 1 and Type 2 teams.

Class Fee \$550.00; Drysuit Rental \$200.00
