

# Structure Collapse Awareness for ASAR

16-hour In-person Training- November 20<sup>th</sup>-21<sup>st</sup>, 2021 8 am – 5 pm

Humane Tomorrow's The Glenn and Shirley Hulcher Family Animal Care Center  
1961 E Hickory Hill Rd, Argyle, TX 76226

## Course Topics

- Hazard Identification
- Scene size-up and Operations
- Response considerations, shoring techniques and considerations
- Search, rescue and extraction
- Victim and structural markings
- Rapid and safe clearing of areas and reduce duplication of efforts... and MUCH MORE!

## Required PPE

Work Gloves

Dress for Weather

Appropriate Footwear

Safety Helmet

Class will be inside and outside

The structural collapse awareness course prepares ASAR Team Members and teams for operations upon arrival at a structural collapse disaster incident. It is important that rescue personnel can identify hazards they may face and how to mitigate those hazards and/or work safely around the hazards they cannot mitigate. Lessons learned will include initial scene size-up, how to establish search and rescue priorities and to begin operations following a natural disaster. Whether the disaster is caused by Hurricane, Tornado, Earthquake, Tsunami or Flooding incident, the after affects are similar and so are the immediate actions required by first responders. No previous experience needed with structural collapse to attend this training. Please note check-in starts at 7:30am on November 20<sup>th</sup>, 2021; and the event will happen rain or shine.

## Registration

Go to: <https://eerular.org/event/structure-asar-tx/> or scan the QR Code

## Fee

\$175.00

## Payment Methods Accepted

Credit / Debit card, PayPal, Agency Check
